

Attachment D: Application Form

Last name: CREPEL

First name: OLIVIER

Company: FREESCALE

Position within the company: FA Lab Electrical Engineering Manager

Preferred EUFANET Board of Directors Position: Treasurer or Publication VP

Candidate short resume:

Olivier CREPEL received his Master degree in Electronics from the University of Lille, in 2001. He then obtained his Ph.D. degree in Electronics in 2004.

He worked from 2001 to 2004 at PHILIPS Semiconductors Caen, in partnership with CNES, as a Ph.D. Student, about advanced FA technics development.

He then joined FREESCALE Toulouse in 2004, as a Failure Analyst Engineer, specialized in mixed-mode devices FA.

He is now acting since 2007 as the Electrical Engineering Manager in the Product Analysis Lab. At this time he authored 13 papers and 3 patents.

Vision of EUFANET's future:

I would like to contribute to the EUFANET extension in term of technical fame, technical exchanges...

-We have to maintain the EUFANET main topics: knowledge sharing between labs, FA tools benchmark, FA events organization...

Some others topics can be developed:

-increase/develop the partnership with the other FA Network, as EDFAS for example.

-develop the EUFANET knowledge, including in the medium and small lab.
