

EUFANET Questionnaire 2003

**EUFANET Workshop
at ESREF 10/03, Arcachon F**

**Christian Boit
TUB Berlin University of Technology
Sect. Semiconductor Devices
Christian.Boit@TU-Berlin.DE**

EUFANET Questionnaire - General

120 adresses - 17 responses and 3 encouragements

FA centers of interest:

A - General

- Board (PCB) Level FA - 6**
- Package Level FA - 11**
- Chip (Die) Level FA - 13**

B - Specific

- Test - 8**
- Sample preparation - 11**
- Defect localization - 11**
- Phys./chem. Diagnostic - 10**

EUFANET Questionnaire - Customer Satisfaction

Rank: 2,5 (1-excellent, 2-very good, 3-good, 4-fair, 5- poor)

Most important contribution / like best?

- **European, Exchange w/o confidential aspect, contact people w/ same problemsfithPowerful link, learning customer concerns,**

What was the most negative experience with EUFANET?

- **Trailer at end of messages, no UK branch**

What needs to be improved at highest priority?

- **More members, Q & sugg. A as EDFAS, workgroups, training, FA publicity**

Would you volunteer to help EUFANET improve on highest priority tasks? – 3, 5

EUFANET Questionnaire - Annual Workshop

The workshop should:

- | | |
|--|-----------|
| 3.1 be longer (1/2 day, 1 day or more): | 10 |
| 3.2 be every two years | 3 |
| 3.3 be in conjunction with ESREF | 5 |
| 3.4 Suggestion about content? | |
| - Failure modes of new technologies | |
| - New techniques | |

EUFANET Questionnaire - Network Forum

Do you

- | | |
|------------------------------|------------------|
| - read the messages? | 15 |
| - answer them? | 5 |
| - send a question? | 4 |
| - intend use? | 12 |
| - encounter problems? | Virus (1) |

EUFANET Questionnaire -Website

The Website is coming soon. What is most relevant for you?

General information	11
Workshop presentations	11
Forum access	10
Short tutorials	9
Lab presentations	9
News (commercial)	5
Events	10
Links (comm./ edu)	10
Would you like to send a contribution on FA topic (short tutorial)?	6
Would you like to send a presentation on your lab?	7

EUFANET Questionnaire

- Workgroup

Should:

- EUFANET be involved in European workgroups creation? 13**
- Workgroup results be shared to European FA community? 9**
- Working group exist w/o meeting (email and conf calls)? 3**
- Workgroup reports be dispatched to other societies (EDFAS, ANADEF, VDE ITG ...) ? 7**

Would you agree to participate in this kind of workgroup? 11

Do you have any topic suggestions of European workgroup?

- Package analysis by acoustic tomography, High power device analysis, Non destructive short detection in multi layer printed circuits, Copper, RIE, Laser beam related techniques**

EUFANET Questionnaire - Volunteering

Would you like to actively take part in the European Failure Analysis Network? 6

We need volunteering participant for the following tasks:

- Email network, 2**
- Web site, 1**
- Workgroup, 5**
- Legal status,**
- Finding sponsors, 1**
- Secretary. Proposal: 6th EU framework**

EUFANET Questionnaire - Summary

- EUFANET important by mere existence**
- Active use essential**
- Q & sugg. A like EDFAS**
- Workgroups to be installed**
- Website to support active use**
- Breeder of EDFAS EU-section?**
